OFFICE NOTE.

SUBJECT:— Grant of a Inam to the Subramanyaswara Swami Temple at Hulwalli Mudgere Taluk

LAST REFERENCE.

Letter No. 1599 dated 6th June 1903 from the Dy Commr Kadur District.

The Dy Commissioner of the Kadur District, Mr Sparkes, in his letter no 1696 dated 8th May 1902 to Government in the Muzrai Department recommended the grant of an annual Inam allowance of Rs 150 from the Kukkeswaraswami Temple

Temple at Kulasai in the
neighbourhood of the
Sri Subramaniaswara
-swami Temple, which
was reported to be one of
the minor temples attached
to the former Institution.
He at the same time stated
that the minor temple
was endowed with a
landed cash ground of
Rs 12 only per annum and
that it had no other
source of income. In
support of the statement
that it was a minor Institu-
attached to the Kulasekaramanga
Temple, the Dy Commr
further stated that
the ground had once sanctioned

for the repairs of the minor Deities, the charge being debited to the funds of the main temple. It was also reported that the Dharmadarsees of the Sri Kalasamvarasamii Temple had unanimously agreed to the payment of the Tasdik as proposed, to be utilized as per details noted in the margin*

2. In submitting the question for orders of Government, the Dy Collr observed that the idea of one temple providing an annual Tasdik for another was a novel one and that it might create an inconvenient precedent; and that

3. ~~It~~ With reference to the above observations, the Devasom was pleased to record the following order (dated 26th Oct-1102):—

"Is it objectionable to provide a subordinate and dependent Trusty with funds available in the major Trusty & to which local Dharmadarsan raises no objection? A grant has been already made for repairs once. I think the sanction may be given. If you wish you may talk it over to me".

4. Thereupon further information

information having been called for from the Dy Commissioner as to whether the Swamiar temple was getting any help from the Kulasekharaswami Temple in the shape of either Nityakatlai or Sthalakatlai expenses, and as to how far the minor temple was from the latter, the Dy Comr states in his present Communication that no kind of help is given to the Swamiar temple from the main temple except in the shape of lending the services of the Servants during the Car-festival in the month of Margazi-Tiruvadirai. Subd to the Dewan

From the papers in the file it is ascertained that the Haluvally Subramanyeswara temple now under correspondence is situated in Mavinakere, an inam village attached to the Kalasa temple on the banks of the Bhadra river on the Kalasa-Balehonnur road at a distance of 3 or 4 miles from Kalasa. It would appear that there is a large gathering of people ~~at~~ during the car festival and that travellers halt at the place during the monsoon when there are heavy floods in the river.

Taking all these circumstances into consideration Government sanctioned Rs. 750 from the Kalasa

temple funds and got certain necessary repairs executed and some additional accommodation provided.

The income of the temple is a cash Grant of Rs. 12 per annum which is paid to the Archak. The Deputy Commissioner now proposes to increase this allowance by Rs. 150 per annum, to be paid from the funds of the Kalasa temple, for expenditure as shown below:—

1. Archak on a pay of Rs. 3 per mensem . .Rs.36
2. For Paditara. 18
3. For feeding 500 persons during the car festival.60
4. For Nanadadeepa. 24
5. For Tantrika service. 12

Total Rs. 150.

Considering the circumstances stated above, there is no objection to give some further help to the temple in question from the Kalasa temple, but it is my humble opinion that the proposed additional allowance of Rs. 150 per annum is much too high and out of all pro

proportion to the cash grant of Rs. 12 per annum now enjoyed by the temple. I would therefore respectfully submit that the following items alone be sanctioned:

1. Pay of Archak at Rs. 3 per mensem. Rs.36.
2. Paditara. 18

Total Rs. 54.

The present cash grant of Rs. 12 per annum may be used for Nandadeepa.

The large sum of Rs. 60 provided for the car festival and the sum of Rs. 12 for Tantrika service may I think be disallowed. These should be arranged for from the income from devotees of whom it is said there is a large gathering every year, or a Gólaka may be kept in the temple from the proceeds of which such expenses may be met.

As above suggested the additional amount payable from the Kalasa Temple will be Rs. 54 per annum, which may be sanctioned. The Kalasa temple has a large balance at its

credit and can well bear the additional charge.

It seems further desirable to direct that the Peishkar of the Kalasa temple should pay periodical visits to the temples in question and see that the services are rendered properly in view of the additional income now sanctioned by Government.

Sir,

I have the honor to state that the temple of Subramaneswara Swami at Halwalli in the Mudigeri Taluk is a Muzrai Institution enjoying a Malnad Cash grant of Rs 12/- per annum and that besides this there is no other source of income to the temple.

The temple in question is stated to be one of the minor temples attached to the Kalaseswara Swami temple from the funds of which a Sum of Rs 750/- was sanctioned in Government Proceedings No 1041-2 of the 14th February 1898 for its repairs.

Contribution of the

Vahivatdar of Subramaneswara Siva temple for a grant out of the Kalasa temple funds, the Amildar was asked to report after Consulting the Dharmadarsies of the latter Temple whether the request of the Vahivatdar was deserving of Consideration and Could be Complied with.

He now reports that the Dharmadarsies of the Kalasa temple have unanimously agreed to the payment of an annual grant of Rs 150/- out of Kalasa temple funds for the marginally noted purposes.

1. Archak on a pay of Rs 3/- per month for one year	Rs 36-0-0
2 Padtara 1/2 a Seer of rice for a day for one year	Rs 18-0-0
3. For feeding 500 men during the car-festival	Rs 60-0-0
4. Nanda Dipa at Rs 2/- per month	Rs 24-0-0
5. Tantrika Service	Rs 12-0-0
Total	Rs 150-0-0

Large numbers of people it is said Congregate and are fed during the Car-festival annually.

In these circumstances, I Solicit sanction to the above proposal.
